YMCA OF LONG ISLAND

GROUP MEMBERSHIPS

Group memberships are available to employees of companies and organizations on Long Island. There are two different categories of YMCA Group memberships:

Island-wide Group Memberships: These are group memberships established by the Association office in which all Branches participate. In order to qualify for an Island-wide group membership, companies need to have a minimum of 50 participants. Authorized company personnel must sign an agreement with the YMCA of Long Island detailing all requirements of a YMCA group membership. Enrollment will be tracked at the Association office and evaluated annually to determine eligibility. Island-wide group members will receive 20% OFF the membership rate (Adult, Couple, Family I/II categories) and a \$0 joiner’s fee.

Branch Specific Group Memberships: These are group memberships established by an individual branch and *approved by the Association Office*. In order to qualify for a branch specific group membership, companies need to have a minimum of 20 participants. Enrollment will be tracked at the branch and evaluated annually to determine eligibility. Branch group members will receive 20% OFF the membership rate (Adult, Couple, Family I/II categories) and a \$50 joiner’s fee per adult.
