

# NOW HIRING!

**Part-Time Site Directors, Group Leaders,  
Activities Specialists and Certified Teachers**

## **JOIN OUR CHILD CARE TEAM.**

Do you love working with kids? Do you want to make a difference in a child's life? The YMCA of Long Island Early Childhood Education and School Age Child Care programs serve thousands of children across Long Island.

Our **Early Childhood Education Program** provides a safe, supportive, learning environment for young children to learn, grow and develop social skills.

Our **School Age Child Care Program** supplements the school day with interactive learning models to engage critical thinking skills, time to complete homework assignments, socialize with peers, and participate in fun, supervised activities.

We are seeking individuals passionate about working with children to join our team. If you have strong instructional skills, communication skills, and interpersonal skills, as well as possess patience and physical stamina, we may have the perfect career opportunity for you!

**APPLY TODAY.**
