At the YMCA, we believe that all kids deserve the opportunity to discover who they are, what they can achieve, and how to reach their full potential. Through the **YMCA at Herricks Summer Recreation Program**, children explore their creative side, perform science experiments, and make new friends. With our flexible scheduling options, the program is designed to accommodate busy summer schedules and maximize the fun and learning for memories that will last a lifetime. We invite your child to join us for the best summer ever!

PROGRAM OFFERINGS

Families of Herricks School District Only

ELEMENTARY PROGRAM

Students entering grades K-5

July 5 - August 5

The Elementary Program encourages students to have organized fun while participating in various group activities that develop creativity, learning and building confidence. Activities include arts & crafts, Hip Hop, STEM, yoga, Tae Kwon Do, and more. Students entering Kindergarten must be 5 years old by December 1, 2021 and must be fully toilet-trained.

Denton Avenue Elementary School
1050 Denton Avenue
New Hyde Park, NY 10040

TEEN PROGRAM

Students entering grades 6-9

July 5 - August 5

The Teen Program is designed to keep students involved in various activities that ensures daily fun while learning and building their skills. The program encourages positive values for teenagers by providing challenging and character building exercises. Designed with today's teenagers in mind, students may take part in activities such as fitness and art & crafts.

Herricks Middle School
7 Hilldale Drive
Albertson, NY 11507

INCLUSION

Every child should have the opportunity to learn, feel supported, and enabled to do their personal best. If your child has specific physical, emotional or medical needs that require special considerations, please email herrick@ymcali.org

SPECIALS

Specials are built into the daily schedule for each age group that enrich a child's summer experience.

Arts & Crafts: Children are inspired to create their own works of art for projects based on a specific theme.

Hip Hop: Children are inspired to create various dance routines that will strengthen their physical body.

PSEG STEM Discovery Lab: Our program supports science, technology, engineering, arts, and math. Thanks to our partner, PSEG Long Island, for making this program possible.

Yoga: Children learn basic yoga moves, stretches and poses that strengthen the physical body as well as breathing techniques to strengthen the mind.

Tae Kwon Do: Sessions emphasize safety, self-control, strength and focus.

LUNCH

Full Day participants must provide their own lunch in an insulated bag or container clearly marked with the student's first and last name. All students will be provided each day with a snack. Please note: There is no refrigeration available for student lunches or beverages, therefore please include an ice pack.

2022 RATES
