GIVE FOR A BETTER US

Everyone knows the Y as a place to swim, play basketball, and exercise. Yet the Y is so much more!

As a 501(c)3 nonprofit organization, we provide critical programs and services to tens of thousands of individuals and families each year. Through partnerships and generous donor and sponsor support, we are able to make our programs and services accessible to children, teens, adults, and families in need who live all across Long Island.

Your donation is 100% tax-deductible to the extent allowed by law, and stays right here on Long Island. Your gift can help support initiatives that keeps kids safe, improves community health, and builds strong families. The Y needs your support to continue to make our work possible!

Our Mission

The YMCA of Long Island is a leading nonprofit community-based service organization working daily to improve lives through programs and services that nurture **youth development**, foster **healthy living**, and inspire **social responsibility**.

Our Focus

Youth Development: Nurturing the potential of every child and teen.

All kids deserve the opportunity to discover who they are and what they can achieve. Through the Y, youth are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

Healthy Living: Improving the nation's health and well-being.

The Y encourages good health and fosters connections through fitness, sports, fun and shared interests. Youth, adults and families receive the support, guidance and resources needed to achieve greater health and well-being for the spirit, mind and body.

Social Responsibility: Giving back and providing support to our neighbors.

With our doors open to all, we work every day to connect people from all backgrounds across Long Island and support to those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

Our Values

Caring, Honesty, Respect, and Responsibility. Our values are celebrated by staff and members that provide a positive foundation for all Y programs and a healthy connection with others.
