BASKETBALL:

- Stage 1** Children are introduced to the sport and starting skills needed for the game. Fun and informative plus a good workout for them.
- Stage 2** Next level skills worked on. Dribbling, passing and shooting development. Incorporates fun basketball games into their season.
- Stage 3** Great for those kids that are looking to make a team or play already on a starting level team. Shooting technique, ball handling, and game prep.

Girls Sport Conditioning:

A great space for young female's who like to play sports. Designed to introduce and improve fitness, strength and the skills needed to be a successful athlete. Class includes age appropriate cardio, speed, and strength training. It also includes a stretch and yoga class.
