

Steven Palacios, born and raised in Huntington Station, NY, understands what it is like growing up in an underprivileged environment. At a young age his mother would take him to the YMCA for swimming lessons, creating a lasting memory that became the catalyst for his contribution to the YMCA board. Mr. Palacios recognized how integral a place like the YMCA can be to our community. Having a passion for athletics, Mr. Palacios wrestled for Huntington High School and won the NY State Championship in 2002 and later wrestled for Purdue University. The YMCA is the ideal organization for Mr. Palacios's interests and experience. Mr. Palacios is a lawyer practicing at his family law firm, Palacios Law Group. There he practices in Personal Injury, Criminal, Real Estate and Immigration law. His goal is to be both the voice and advocate for the youth of Huntington Station. Mr. Palacios and his wife are raising their beautiful children in the community.
