In memory of John Breslin, Jr.

Honoring the Life and Legacy of John Joseph Breslin Jr., Esq. (1956–2024)
Affectionately known as “Bres,” John Joseph Breslin Jr., Esq. was a cherished figure in the Huntington community and a proud, longtime member of the YMCA family. As the beloved son of John J. and Elizabeth Breslin and the oldest of six, John embraced a life of mentorship, leadership, and service—values that defined him from an early age and continued throughout his life. A devoted husband, father, and grandfather, John built a beautiful life with his wife Dolores. Together, they raised a loving family, including their children Patrick (Rose), Peter, Owen, and Madeline, and grandchildren Breia, Olyvia, and Jaymeson, who continue to embody his enduring legacy of love and strength. John’s unwavering Catholic faith guided his life and was rooted in his education at St. Philip Neri, Holy Family High School, Siena College, and St. John’s University School of Law. He earned his law degree while working full-time at his father’s appraisal company, a testament to his work ethic and determination. After being admitted to the New York State Bar in 1987, John built a reputation as a respected expert in real estate and zoning law. He went on to found his own law firm—now known as Breslin & Brown, P.C.—which remains a trusted pillar in the local legal community. John’s passion for service extended far beyond the courtroom. He was deeply involved in the Huntington community, giving his time and talent to organizations including St. Patrick’s Church, Tri-Village, and the Huntington YMCA. For over 30 years, John served on the Board of Managers at the Huntington YMCA, playing a key role in sustaining and growing programs that support children, families, and individuals throughout the region. A passionate advocate for youth development, John was a familiar and enthusiastic presence at the Huntington YMCA Annual Golf Outing, where he participated, volunteered, and supported with generosity—right up until his illness made it no longer possible. We are honored to celebrate John’s life and legacy at this year’s Huntington YMCA Golf Outing. His enduring commitment to faith, family, and community will never be forgotten.
