At the YMCA, we believe that all kids deserve the opportunity to discover who they are, what they can achieve, and how to reach their full potential. Through the **YMCA at Herricks Summer Recreation Program**, children explore their creative side, perform science experiments, and make new friends. With our flexible scheduling options, the program is designed to accommodate busy summer schedules and maximize the fun and learning for memories that will last a lifetime. We invite your child to join for the best summer ever!

INCLUSION

Every child should have the opportunity to learn, feel supported, and enabled to do their personal best. If your child has specific physical, emotional or medical needs that require special considerations, please email herricks@ymcali.org

SPECIALS

Specials are built into the daily schedule for each age group that enrich a child's summer experience.

Arts & Crafts: Children are inspired to create their own works of art for projects based on a specific theme. **(Elementary & Teen)**

Hip Hop: Children are inspired to create various dance routines that will strengthen their physical body. **(Elementary & Teen)**

Young Engineers: Children will create projects through science technology, engineering, art, and math. **(Elementary & Teen)**

Imagination Station: The YMCA's Imagination Station program helps children prevent "summer slide", the phenomena where student tend to fall back in reading and comprehension during out-of-school time. Thanks to the support of the Rauch Foundation, the YMCA provides a certified Specialist to develop an interactive and engaging curriculum. **(Elementary)**

Yoga: Children learn basic yoga moves, stretches and poses that strengthen the physical body as well as breathing techniques to strengthen the mind. **(Elementary)**

Tae Kwon Do: Sessions emphasize safety, self-control, strength and focus. **(Elementary)**

LUNCH

Full Day participants must provide their own snack and lunch in an insulated bag or container clearly marked with the students first and last name. **Please note:** There is no refrigeration available for student lunches or beverages, therefore please include an ice pack.

RECREATIONAL SWIM

Full day 4th and 5th graders, and Teen group will have the opportunity to participate in recreational swim at the YMCA at Glen Cove. Students will be transported by bus and a swim test will be conducted during the first rec swim by the YMCA aquatic staff. Each elementary grade will have the opportunity to swim twice during the summer. The Teen group will swim four times during the summer. Students must bring a swimsuit and towel on their designated swim day.

TENNIS

The Teen group will participate in tennis class once a week, with a basic instructional class focused on technique, strokes, and overall skill development. The sessions will be led by a gym teacher from Herricks, providing a great opportunity to learn and improve while having fun on the court. **(Teen)**
