New Junior Lifeguard Pathway	2:00-3:00pm							\$189	\$284

STAGE B+ WATER EXPLORATION | 2-4 YEARS OLD

Level B+ swim class serves as the perfect stepping stone between parent-child water discovery and independent preschool swim lessons. During the first half of the session, parents remain in the water to provide a familiar sense of security while their child builds foundational water skills. For the second half of the session, parents step out of the pool, allowing the young swimmers to work directly with the instructor to foster early independence. This gradual approach is excellent for gently easing separation anxiety and ensuring a smooth, confident transition to their first solo preschool classes.

AQUA JOG WITH JEAN ANNE

Low-impact class that focuses on walking, jogging, and cross-country skiing movements in deep water to improve cardiovascular fitness and muscle tone. Using the water's resistance, participants wear flotation belts to stay afloat, engaging in a full-body workout that strengthens muscles while protecting the joints. It's a refreshing way to build endurance and stay fit, suitable for all fitness levels.

8 WEEK CLASS | 12 SPOTS

9/17/26 - 11/5/26

Swim Club

We offer flexible pricing based on the number of practices attended per week.

1 Week	Full: \$189 Program: \$284

4-pk (30 mins) \$460

8-pk (30 mins) \$857

12-pk (30 mins) \$1,170

LIFEGUARD PRE-TEST | 9/15/26 | 5:30-7:30pm | \$25

American Red Cross Lifeguarding Certification (Ages 15+)

Become a certified American Red Cross Lifeguard through our convenient four-week evening program. Designed for high school students, college students, and working adults, this blended learning course combines online coursework with hands-on pool and classroom instruction in lifeguarding, CPR/AED, first aid, rescue techniques, and emergency response. Classes meet Tuesdays and Thursdays from 5:30-8:30 PM beginning September 22. A required pre-course swim assessment will be held on September 15 to evaluate the Red Cross prerequisite swimming skills. Participants may also choose to complete a complimentary Nassau County swim assessment to measure their readiness for local pool and beach lifeguard qualifying swim standards. Successful participants who complete all course requirements will earn their American Red Cross Lifeguarding certification.

Junior Lifeguard Pathway (Ages 12-15)

The Junior Lifeguard Pathway is a unique youth development program designed for strong swimmers who are interested in becoming future lifeguards. Through swimming challenges, rescue skill development, teamwork, leadership activities, and friendly competitions, participants build confidence, improve aquatic fitness, and develop the knowledge and habits of successful lifeguards. Students progress through a competency-based achievement system that encourages continued growth over multiple sessions, making this more than just a class—it's a pathway toward future American Red Cross Lifeguarding certification and YMCA employment opportunities. **Classes meet Sundays from 2:00-3:00 PM, September 13 through November 8.**
