Indoor Triathlon Event | Oct. 24 | 7:15-11:15am

15 Minute Indoor Swim • 15 Minute Indoor Bike
15 Minute Indoor Run

An Indoor Triathlon is very similar to an outdoor triathlon except all events are completed indoors using the pool, stationary bikes, and treadmills.

How the Triathlon works:

- The Indoor Triathlon scored in points rather than time. Each discipline is 15 minutes. The distance is measured then converted into a point system. Further Distance = More Points
 - There will be a 5 minute transition time between each discipline for the participants to move to the next event.
- Athletes will participate in waves, which will begin every 20 minutes.

Registration:
Opens: 08/31/2026 at 5:00am
Closes: 10/24/26 at 12pm
Ages: 13 and up
